CHAPTER 13 PLAN

Part 1: Notices

Definitions: Definitions of several terms used in this Plan appear online at <https://www.nceb.uscourts.gov/local-forms> under the heading "Chapter 13 Plan Definitions." These definitions also are published in the Administrative Guide to Practice and Procedure for the United States Bankruptcy Court for the Eastern District of North Carolina.

To Debtor(s): This form sets out options that may be appropriate in some cases, but the presence of an option on this form does not indicate that the option is appropriate in your circumstances. Plans that do not comply with Local Rules and judicial rulings may not be confirmable.

To Creditors: **Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated if the plan is confirmed.** You should read this plan carefully and discuss it with your attorney if you have an attorney in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the United States Bankruptcy Court for the Eastern District of North Carolina ("Court"). **The Court may confirm this plan without further notice if no objection to confirmation is filed.** In addition, you may need to file a timely proof of claim in order to be paid under any confirmed plan.

Only allowed claims will receive a distribution from the Trustee, and all payments made to creditors by the Trustee shall be made in accordance with the Trustee's customary distribution process. When required, pre-confirmation adequate protection payments shall be paid in accordance with Local Rule 3070-1(c). Unless otherwise ordered by the Court, creditors not entitled to adequate protection payment will receive no disbursements from the Trustee until after the plan is confirmed.

The following matters may be of particular importance to you. ***Debtors must check one box on each line of §§ 1.1, 1.2, and 1.3, below, to state whether or not the plan includes provisions related to each item listed. If an item is checked "Not Included," or if neither box is checked, or if both boxes are checked, the provision will not be effective, even if set out later in the plan.***

1.1	A limit on the amount of a secured claim, set out in Section 3.3, which may result in a secured claim being treated as only partially secured or wholly unsecured. This could result in the secured creditor receiving only partial payment, or no payment at all.	<input checked="" type="checkbox"/> Included	<input type="checkbox"/> Not Included
1.2	Avoidance of a judicial lien or nonpossessory, nonpurchase-money security interest, set out in Section 3.5.	<input type="checkbox"/> Included	<input checked="" type="checkbox"/> Not Included

2.4 Adjustments to the Payment Schedule/Base Plan (Check one).

This provision shall not preclude the Debtor or the Trustee from opposing modification after confirmation on any other basis.

In this case, this amount is \$ 0.00

Part 3: Treatment of Secured Claims

3.1 Lien Retention.

The holder of each allowed secured claim provided for below will retain the lien on the property interest of the Debtor(s) or the estate until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the Debtor(s) under 11 U.S.C. § 1328.

3.2 Maintenance of Payments and Cure of Default (if any) (Check one.)

☐ **None.** If "None" is checked, the rest of § 3.2 need not be completed or reproduced.

☒ The current contractual installment payments will be maintained on the secured claims listed below, with any changes required by the applicable contract and noticed in conformity with any applicable rules. These payments will be disbursed either by the Trustee ("Conduit") or directly by the Debtor(s), as specified below. Any arrearage listed for a claim below will be paid in full through disbursements by the Trustee, with interest, if any, at the rate stated. Unless otherwise ordered by the Court, the amounts listed on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) will control over any contrary amounts listed below as to the current installment payment and arrearage. In the absence of a timely filed proof of claim, the amounts stated below are controlling as to the current installment payment and arrearage. If relief from the automatic stay is ordered as to any item of collateral listed in this paragraph, then, unless otherwise ordered by the Court, all payments under this paragraph as to that collateral will cease, and all secured claims based on that collateral will no longer be paid by the plan.

Requests for Valuation of Collateral and Modification of Undersecured Claims for Real Estate may not be accomplished in this district in the absence of the filing and proper service of a motion and notice of motion specifically seeking such relief and giving the affected creditor the opportunity to object to the motion and request a hearing. Note that a separate motion must be brought if the collateral is real estate, but not if the collateral is personal property.

- ☒ The Debtor(s) request that the Court determine the value of the collateral securing each of the claims listed below. For each non-governmental secured claim listed below, the Debtor(s) propose to treat each claim as secured in the amount set out in the column headed "Amount of Secured Claim." For secured claims of governmental units, unless otherwise ordered by the Court, the value of the collateral listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary valuation amount listed below. For each listed claim, the amount of the secured claim will be amortized and paid with interest at the stated rate over the life of the plan. The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's entire claim will be treated as an unsecured claim under Part 5 of this plan. Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on its proof of claim controls over any contrary amount listed in this paragraph. Secured creditors entitled to pre-confirmation adequate protection payments will receive the same pursuant to E.D.N.C. LBR 3070-1(c).

Payments will commence after payment to the holders of allowed secured, arrearage, unsecured priority, administrative, specially classified unsecured claims, and the Trustee's fees.

Except as may be required by the "disposable income" or "liquidation" tests, or as may otherwise be specifically set forth in this Plan, no specific distribution to general unsecured creditors is guaranteed under this Plan, and the distribution to such creditors may change depending on the valuation of secured claims (including arrears) and/or the amounts which will be paid to holders of priority unsecured claims under this Plan, both of which may differ from the treatment set forth in Parts 3 and 4 of this Plan based on claims filed by secured and priority creditors, or based on further orders of the Court.
